## ***Our Vision***

*Our vision is to assist and empower all people in discovering and embracing recovery and wellness.*

## ***Our Mission***

*Our mission is to provide quality wellness services to individuals and families with mental, co-occurring, and substance use disorders in order to promote recovery and wellness.*

### ***Here's what our members have to say:***

*"I like having the support of staff in the community."*

*When I found out that I had Cancer, FRIENDS was a great support."*

**Friends Recovering In Empowerment, Needs, and Discovering Support Wellness Center** started as a satellite center meeting once to twice a week at Scooters. Scooter's owner, Joe Coliano, donated the space, pizza, and tokens until 2005 when we moved into our location on Riverview Drive. In 2016, we even expanded at this location to better meet the needs of peers and families.

F.R.I.E.N.D.S. is a community-based center meeting the community's needs. We have many partnerships with Charles of Italy Beauty College, Bullhead City Fire Department, Scooters Family Fun Center, Salvation Army, and Goodwill Industries. F.R.I.E.N.D.S. is a collaborative partner with Mohave Mental Health Clinic and Southwest Behavioral Health.
